

TPIEF International Coordinators

TPIEF international coordinators include native speakers of English, Chinese and Vietnamese. Foreign residents of Tottori Prefecture are invited to consult with our coordinators in any of the languages below regarding any difficulties in daily life, with connections to outside agencies if needed. Our coordinators also provide international outreach events at schools and community centres.

TPIEF In-house Publication

New Version of Disaster Readiness Handbook for Foreign Residents

Do you know what to do if disaster strikes? This handbook in easy Japanese offers a comprehensive guide to preparedness in the main types of natural disaster (earthquake, flood, typhoon and blizzard). It also includes personal memo space for such things as the location of your nearest emergency shelter. Every foreign resident is encouraged to pick up a copy.

Intercultural Exchange Festivals

Here are some great chances for everyone to experience intercultural exchange and interact with local residents from overseas: the Yonago International Exchange Festival at the Yonago Cultural Hall on 25 September, the Kurayoshi International Exchange Festival at Houki Shiawase no Sato on 20 November, and the TIME Festival at the Torigin Bunka Kaikan on 23 November.
